Enabling auto renew on domains

Vincent (Vinnie) Curle - 2023-04-27 - Domain Panel

Overview:

You can enable auto-renew on domain names within Domain Panel. This will automatically attempt to renew a domain name when it is within 30 days of its expiry date. Auto Renew requires that you have a credit card stored in your Domain Panel account. You can add a credit card to Domain Panel by <u>following the guide here</u>.

Method:

- 1. Log into <u>Domain Panel</u> (NB: if you're unsure, you can <u>follow our guide</u>).
- 2. Click on the "**Domains**" tab on the left-hand side panel.
- 3. Find your domain name on the page, or search for the domain using the search bar.
- 4. Toggle the "Auto Renew" option from "Disabled" to "Enabled".
