# How to view usage quotas for a project in mCloud

Vincent (Vinnie) Curle - 2025-01-17 - mCloud

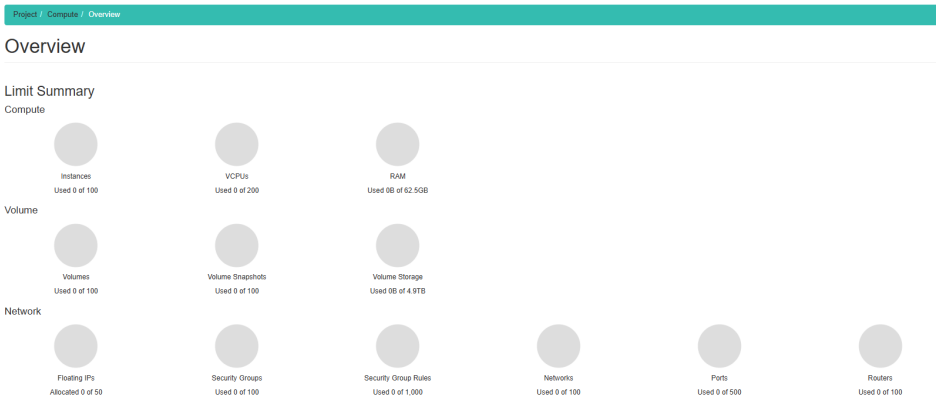

This guide details the steps required to review your Project's Usage and Quota via the mCloud Dashboard.

## Method

1. Log into mCloud here: https://mcloud.micron21.com
2. In the Projects Dropdown option at the top of the dashboard, select the project you'd like to review.
   - 

3. In the Navigation side panel navigate to Project > Compute and click on the Overview option.
   - 

4. In the Limit Summary section, you can view the overall usage and quota limits for the project, including Compute, Storage and Network.

5. Scroll down the page further to the usage summary heading which displays the breakdown by instance and time.
