Updating your Domain Panel account contact information

Vincent (Vinnie) Curle - 2023-02-27 - Security

Overview:

Keeping your Domain Panel contact information up-to-date is crucial for receiving communications from Micron21 about your domain names and any changes to the platform.

Method:

1. Log into your Domain Panel account here: https://domains.micron21.com
2. Go to the "**Account**" Panel.
3. In the "**Profile Information**" section, you can update your contact details, such as email, phone, and physical address.
   Note: You will be unable to change your Full Name, Company Name and Company Number. If you require these to be changed, please contact the Micron21 Support team.
4. Click the "**Save Profile**" button to save your changes.
